

Participate in Our Research!

UNC Family Connections Study

What: One, 2-hour session involving parent-child tasks, survey, and interview

Where: UNC Davie Hall, your residence, or a nearby treatment center when possible

Why: To help us learn about the challenges faced by mothers in recovery and their children; participants will also receive \$130

Who: Mothers who are in recovery for alcohol or drug abuse, are 30 days abstinent, and have child(ren) between 6 and 12 years of age
